Healthcare in Under-Resourced Areas

Gabrielle Fleming; Ryan Northup; Bill Housworth; Lori Housworth

Children's Mercy Kansas City, Kansas City, Mo.

Background

Preparation

- Learning about Cambodia and its healthcare systems
- CDC Traveler's Health page
- International Travel Medicine Clinic
- Medical reference texts and resources

Reflection

- Intersection of history and healthcare
- Ingenuity and resourcefulness
- Better understanding the facets of "global health"
- Learning the challenges of healthcare delivery in under-resourced areas

Objectives

Experience

- Working in inpatient, ER, PICU, and NICU
- Learning about community perception and utilization of the healthcare system
- Experiencing the country and the people
- Eating great food!

Future Directions

- Global, Rural & Underserved Child Health (GRUCH) Fellowship
- Master in Public Health
- Career interests: preventative medicine, nutrition, development, health literacy, equitable healthcare delivery
