

NOTIFICATION OF
EXEMPT DETERMINATION

November 2, 2021

Shika Kalevor, MBE, BSN, RN
sekalevor@cmh.edu

Dear Ms. Kalevor:

On 11/2/2021, the CM IRB reviewed the following submission:

Type of Review:	Initial Study
Title:	Can everyday ethics training adjust attitudes about the applicability of bioethics to everyday nursing practice?
Investigator:	Shika Kalevor
myIRB ID:	STUDY00002077
Funding:	NEONATOLOGY
Documents Reviewed:	• SK Exempt Form 2077 IRB Comments_Version_0.01 1029.docx, Category: IRB Protocol

The CM IRB determined that this study meets the criteria for an Exempt Determination under 45 CFR 46.104 (d) category 2(ii). This approval is effective as of 11/2/2021.

Please remember that a Final Report to close the study is still required when the study is concluded, i.e. when participant recruitment is complete; all specimens, records, and data have been collected; all interactions or interventions with participants are completed, and all analysis of participant identifiable data, records, specimens is finished and use of or access to identifiable participant data is no longer necessary.

In conducting this protocol, you are required to follow the requirements listed in the [Human Research Protection Program Investigator Manual \(HRP-103\)](#).

Sincerely,

Dane Sommer, DMin
